

## BUILD A CULTURE OF CONTINUOUS IMPROVEMENT

Our Lean Daily Leadership Process (LDLP) is a highly customisable operations management system concentrated on building Lean foundations in your organisation.

It teaches the critical skills and behaviours required of you as a Lean Leader. Helping highlight the key barriers to change within your organisation.

The three key elements of the LDLP are:

- Using Visual Management Boards
- Setting Expectations through Leader Standard Work
- Encouraging Teamwork through Daily Team Meetings

The workshop will provide you with the skills for a successful and sustained Lean transformation.

### RECOMMENDED FOR:

- Production Leaders
- Warehouse Leaders
- Operations Leaders
- Maintenance Leaders
- CI Leaders
- Supervisors

**'Best Practice Network Members 2020 Offer' 4 Complimentary Places (per membership). Members also receive 35% discount on all TXM Training Courses. Ask about hosting a session!**
