

LEARN THE IMPORTANCE OF SUPPLY CHAIN EFFICIENCY

The TXM Training Lean Supply Chain Simulation Workshop teaches hands-on experience for solving supply chain problems.

Discover the reasons why your supply chain is failing to deliver and develop new strategies to overcome them.

TXM Director Tim McLean will demonstrate how to overcome the stumbling blocks of supply chain management.

Helping to reduce lead times, increasing the responsiveness and overall outcome for your organisation.

Teaching a range of tools and techniques to overcome these common problems timely & efficiently.
